

Villa Bellezza & Township 23 Distillery

June 13, 2024 - Pepin & Nelson, WI

Join the Golden Rewards Club for a day of local food, wine, and spirits as we tour close to home in Pepin and Nelson. Our first destination of the day is Villa Bellezza. Located in Pepin, Wisconsin, Villa Bellezza is an old world winery and vineyard designed in the style of an authentic Italian village. Brought to life by the husband and wife duo of Derick and Julianne Dahlen, the villa was inspired by their past visits to Italy. Here, we'll take a guided tour of their winery and get a firsthand look at the wine making process. Following our tour, we'll indulge in some wine tasting. For our lunch, we'll travel a short distance down the river to J & J Barbecue in Nelson, Wisconsin where we'll enjoy a delicious buffet style lunch with pulled pork sandwiches, mac and cheese, and assorted vegetables.

Our second and final tour of the day will take place just outside Nelson, where we'll visit Township Twenty-Three Distillery. Founded in 2022 by Zach Hetrick, this local distillery uses grains from his family's own local crops to make spirits like vodka and gin. Staff at Township Twenty-Three will walk us through the distilling process as we tour their facility and in-house cocktail bar. Call 608-626-3131 or speak with any of our employees to reserve your spot for this trip. All tips and gratuities for this upcoming trip are included in the price shown above.
